

A fine pair of elegant, early-18th century, caned, high-back, walnut sidechairs

Sold

REF: 10298

Height: 117 cm (46.1")

Description

The shaped cresting, back and seat rails faced with a delicate, reeded edge. Re-caned. Standing on elegant cabriole legs terminating in square feet, joined by a shaped 'H' stretcher. Old repairs to feet and seat frame. Excellent original colour and patina. Either Flemish, or made in England by Flemish craftsmen. First quarter of the 18th century. 11101576
