Description

- Classical 19th century, solid Mahogany Roman Tuscan classical column pedestal display stand
- Unusual low height, 85 cm high, perfect for a lamp or displaying a sculpture or ceramics - The circular top with lovely straight grain figuring.
- Roman Tuscan capital, plain shaft showing the fine figuring and lustrous colour and patina to full effect, on square base.

Measures: diameter top 27.5 cm height 85 cm, base 28 cm square

The interior photographs were taken in daylight with a phone showing each side of the pedestal. There is a small area of wear on one side, see image, which has blended into the patina.
